EMPLOYMENT

JUNE 2010 - PRESENT
Club Coliseum Nightclub

I work as part of two person team as a **media and marketing manager** for the nightclub coliseum in Manchester. At the minute I am currently designing and developing their website and also creating designs for flyers and business cards. I am currently looking at expanding their brand as well as possibly making an application for the Iphone.

JUNE 2009 - JAN 2010
Dolphin Promotions

As part of my degree I took a year out in industry where I worked for a Web design and SEO Company in Blackpool called Dolphin Promotions.

My tasks included designing and developing websites to the current web standards as well as applying the latest SEO techniques.

LANGUAGES

Advanced HTML, Advanced XHTML, Advanced CSS, **Advanced PHP**, Moderate ASP.net, Basic JavaScript, Basic Flash action script. All of my code is hand written and is compliant with the current web standards.

INTERESTS

My other passions!

In my spare time I enjoy photography as well as graphic design. I also have a keen interest in motorcycles and I have raced them competitively since a very young age. The sport is very demanding and requires you to be on the ball all the time, very similar to my career.
